

# SDR Live Seminars & On-Demand Webinars Outline

## **Lecture #1 -**

- Chapters 1, 2 & 3
- Chapter 4 – 4.1 to 4.4, 4.8, 4.9, and 4.11

### **Homework assignment -**

1. Part 2 – Example Problems: Review problems #4 to #8, and #9 (part A, B & C)
2. Part 3 – Multiple Choice Problems: Solve problems 3.1 to 4.49
3. Part 4 – Multiple Choice Solutions: Fully review and understand the solutions to the Part 3 problems

## **Lecture #2 -**

- Chapter 4 – 4.5, 4.6, 4.7, 4.10, and 4.12 to 4.19
- Chapters 5, 6 & 7

### **Homework assignment -**

1. Part 2 – Example Problems: Review problems #10 to #16
2. Part 3 – Multiple Choice Problems: Solve problems 4.50 to 7.25
3. Part 4 – Multiple Choice Solutions: Fully review and understand the solutions to the Part 3 problems

## **Lecture #3 -**

- Chapter 8

### **Homework assignment -**

1. Part 2 – Example Problems: Review problems #9 (part D), #17, #18, #20 to #22
2. Part 3 – Multiple Choice Problems: Solve problems 8.1 to 8.64
3. Part 4 – Multiple Choice Solutions: Fully review and understand the solutions to the Part 3 problems

## **Lecture #4 -**

- Chapters 9 to 14

### **Homework assignment -**

1. Part 2 – Example Problems: Review problems #19 and #23
2. Part 3 – Multiple Choice Problems: Solve problems 9.1 to 14.14
3. Part 4 – Multiple Choice Solutions: Fully review and understand the solutions to the Part 3 problems

**NOTE:** If you run across a Part 3 multiple choice problem from a subject that has not been discussed yet, or you do not understand, make an educated guess and move on to the next problem. You should get used to that approach since it is likely you will have to do exactly that one or more of the problems during the actual exam.
